

Call For Papers EICT 2013

Khulna University of
Engineering and
Technology

International Conference on Electrical Information and Communication Technology
19-21 December 2013, Khulna-9203, Bangladesh

SCOPE

EICT 2013 invites papers from all areas of electrical, electronics, information and communication engineering. The topics of interest include but are not limited to:

Algorithms
Artificial intelligence
Biomedical engineering
Bioinformatics
Circuits and systems
Communications systems
Computer networks
Computer architecture and embedded system
Computer vision
Control theory and applications
Distributed and cloud computing
Electronic materials & devices
Electrical machines
Electromagnetics
High voltage engineering
Information security
Instrumentation and measurement
Knowledge and data engineering
Microwave and RF engineering

Mobile computing
Multimedia systems and applications
Nanodevices, nanotechnology, and MEMS
Natural language processing
Neural network and fuzzy logic
Optoelectronics
Optical communications
Pattern recognition
Power electronics and drives
Power systems
Renewable energy
RFID and sensor networks
Robotics and mechatronics
Signal, image and video processing
Semiconductor
Smart power grid
Software engineering
VLSI design and fabrication
Wireless communication

Important Dates

31 July 2013 : Paper submission deadline
30 September 2013 : Notification of acceptance
15 October 2013 : Camera ready paper submission
31 October 2013 : Registration deadline

Committees
