

How to arrive at EICT Conference Venue

This document is specially prepared for the foreign keynote speakers, delegates, authors, and participants, who wish to attend EICT 2013. The conference will be held in Khulna University of Engineering & Technology which is situated in Khulna City. [Shah Jalal International Airport](#) (Dhaka Airport) is the entry point of Bangladesh. From Dhaka Airport there are three different options to reach Khulna city.

*Google Maps

Option 1: by air+bus

Dhaka airport to Jessore airport by air

Jessore airport to Khulna by bus (bus will be provided by the airline Companies)

Table 1: Info about domestic flights

	Jessore-Dhaka	10.40 AM 07.00 PM	11.20 AM 07.40 PM			

Option 2: by bus

Option 3: by train

For a safe, hassle free journey, we strongly recommend you to take option 1. If you are to visit EICT from abroad we would request you to contact us at least **two weeks** prior to the traveling date. Our dedicated volunteer travel guides and staffs would be at your service. They will take care of all your needs. They will help you out to get the air tickets for domestic flights from Dhaka airport to Jessore airport and vice versa, make reservation to hotels, arrange local transportations etc.
