Submission of Paper

Full paper (within 5-7 pages) with the indication of corresponding author (full postal and e-mail addresses) must be e-mailed as an attached doc file to the conference secretariat. The guidelines for preparing the full/final paper will be available in Conference website.

The official emails are: icmieekuet@gmail.com & golamkaderme@gmail.com. Please send copies to both mails. The paper should clearly be stated the title, objectives methods, results and conclusions with major keywords.

After receiving, the full paper will be peer reviewed and its acceptance will be notified.

Proceedings

The proceedings of the conference will be published in two forms: printed (only abstract) and CD-ROM (full paper)

Introduction and Objective

The field of mechanical, Industrial and Energy Engineering has a great contribution to the technological development in many areas. Technological development can be enhanced through continuous research. The Faculty of Mechanical Engineering, Khulna University of Engineering & Technology is going to organize the 4th International Conference on Mechanical, Industrial and Energy Engineering, (ICMIEE 2016) on 26-27 December, 2016. It will bring great opportunities for both researchers and industrial communities to meet, discuss and share their research outcomes. Obviously this will develop a bridge among the researchers and the experts of the industry which is essential to meet the challenge of 21st century. So, this conference will provide a common platform for the participants throughout the world to exchange their views and share the ideas in the vast field of Mechanical, Industrial, Energy, Leather and Textile Engineering.

Venue

The venue of the conference is at Khulna University of Engineering & Technology (KUET), which is one of the renowned engineering Universities in Bangladesh. The green environmental pollution free KUET campus is located at Fulbarifate, about 13 km north from Khulna City. Khulna is the third largest city in Bangladesh. The city is 300 km southwest of capital Dhaka and connected by air, road, train and water transportation. It is one of the industrial cities of Bangladesh having a blending of old and new architectural trend. Khulna known as the city of Shrimps, about 75% of shrimps exported from Bangladesh are cultivated in the Khulna zone. The temperature and humidity of Khulna in the month of December are about 18°C and 50%.

Camera- ready paper	: Oct 22, 2016
Advance Registration & Hotel Booking	: Nov 30, 2016

Conference Language

The official language of the conference is English.

Themes

- Aerodynamics
- Alternative Energy
- Applied Mechanics
- Automaiton, Mechatronics and Robotics

- Automobile Engineering
- CAD/CAM/CIM
- CFD
- Computational Techniques
- Composite and Smart Materials
- Energy Engineering and Management
- Energy and Environment
- Fatigue and Fracture
- Fluid Mechanics and Machinery
- Fuels and Combustion
- Heat and Mass Transfer
- Human Factors Engineering
- IC Engines
- Industrial Engineering
- Instrumentation and Control
- Leather Engineering
- Manufacturing and Production Process
- MEMS and Nanotechnology
- Oil and Gas Exploration
- Operations Research
- Pollution and Environmental Engineering
- Project Management
- Quality Management, Quality Engineering
- Refrigeration and air-conditioning
- Renewable Energy
- Safety and Maintenance
- Supply Chain Management
- Textile Engineering
- Tribology
- Other related Engineering topics

Award for Best Paper

3 (Three) Best Paper Awards will be given among the presented papers nominated by selection committee.
